

# JSANO SUMMER CAMP

## July 10<sup>th</sup>-14<sup>th</sup> and 17<sup>th</sup>-21<sup>st</sup> 2017

### Acting Boot Camp Ages 5-8 and 9-16

**Instructors: Shea McCallum and Gabriella Kosmidis**

The Shabbi Collective is offering an Acting Boot Camp filled with fun and exciting games that will target the children's acting and improv skills and allow them to learn and practice different styles of theatre. At the end of each day short skits will be created and performed for the class.

### Lego Robotics Ages 8-12 and 10-16

**Instructor: Justin Schultz**

**Introduction to Lego Robotics Ages 8-12** If you enjoy solving challenges and using your hands to find out how things work, you'll love this class. When you're not challenging your mind with robotics, you can challenge your body with daily outdoor activities. Smaller groups will be formed on the first day of camp based on age. No prior experience necessary.

**Advanced Lego Robotics Ages 10-16** *If you have taken the Introduction to LEGO Robotics Camp or have previous experience,* and want to learn more about the NXT or EV3 programs and kits, the Advanced LEGO Robotics Camp is for you!

### Create Ages: 5-8 and 9-16

**Instructor: Natalie Moreau**

Paint. Draw. Cut. Paste. Print. Reduce. Re-----use. Recycle. Imagine. Challenge. Discover. Create. Students will be able to express themselves and use their imagination to its fullest!

### Minecraft Ages 7-10 and 11-16

**Instructor: Calvin Sorochan**

Students will focus on custom graphics and learn how to create textured items, blocks, tools and armor. Students will be able to set up crafting recipes to bring their creations to life in the game and play with other students on our course server.

### Cooking Ages 5-8 and 9-16

**Instructor: Malorie Bell**

**Introduction to Cooking Ages 5-8:** Throughout the week the students will learn to read basic recipes as well as how to prepare, cook and taste balanced and healthy meals, snacks and desserts. At the end of the week, students will take home a repertoire of recipes, their very own apron and a portion of play dough.

**Cooking for Life Ages 9-16:** The students will learn to prepare, cook and taste balanced and healthy meals, snacks and desserts: all prepared from scratch. At the end of the week, students will take home a repertoire of recipes, their very own apron and a figurine made from modelling clay.

### The Art of Movement Ages 5-8 and 9-16

**Instructors: Alex Boudreault and Evan Schonfeldt**

By creating a medley of the basics of dance, music, movement, and constructive games students will get some physical activity all while having fun!

### Rock Band Ages: 9-16

**Instructor: Kate Nielson**

This course provides an introduction to reading guitar chords, reading guitar tablature, fundamentals of playing guitar, vocals and harmonization. Can't forget sound technology, especially the making of music recordings and videos. Personal musical instruments preferred but not necessary. Let's rock!

### Beading and Leather Working Ages: 5-8 and 9-16

**Instructor: Nadine Gaudaur**

Students will learn the basics of bead work and leather working, all in an atmosphere of respect for the Indigenous teachings. Students will complete their own leather pouches (5-8) or their own moccasins (9-16).
